DETAILED ACTION

1. This communication is in response to Applicant's amendment filed on July 6, 2006. The rejections cited are as stated below:

Response to Applicant's amendment

2. Applicants' amendment filed on July 6, 2006 have been fully considered, and discussed in the next section below or within the following rejections are not deemed to be persuasive. Applicants' request for allowance is respectfully denied.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 17-19 and 21 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In particular, claim 17 recites in the preamble "a device for facilitating remote bidding", the body of the claim contains one limitation "a terminal" indicating the structure of the device. A terminal can broadly be interpreted to be a display or a keyboard, which cannot perform the functions, or does not in itself have the structure for

Art Unit: 3624

performing the function. A system or an apparatus claim should always claim the structure or the hardware that performs the function. Appropriate correction is required.

Allowable Subject Matter

5. Claims 23-26 are allowed.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
